Dear Sir/Madam,

On the 8th of November 2024, Fitch Ratings communicated formally to Autopistas del Sol, S.A. their new strategy by which they will no longer provide ratings at national scale in Costa Rica.

Autopistas del Sol, S.A. (the "Company") has decided to change our rating agency for its international and national rating to Moody's.

We hereby notify Citi N.A., in its capacity as Intercreditor Agent and Indenture Trustee, that the Company has made a change in the risk rating agency for the 2017-144A series of its securities.

Effective as of the date of this letter, the risk rating for the 2017-B-CR 30-Dec-2030-144A 05330RAA8 series will be conducted by **Moody's Investors Service**, a duly authorized rating agency with a registered office at **7 WTC at 250 Greenwich Street, New York, NY 10007, USA**.

This change substitutes **Fitch Rating**, which previously provided rating services for the aforementioned securities.

Should you require any additional information regarding this matter, please do not hesitate to contact us at your earliest convenience.

Sincerely,

**Miguel Moltó Morán**  
Director de Finanzas
